Chris,

Great. I'll send out an Outlook invitation with call-in information. You can forward the invitation to whomever at EPA you would like to participate in the call.

Were you still planning on sending over draft comments or questions that we can digest ahead of the call to help facilitate discussion?

Thanks,

-jack

**Subject:** Yerington - OU-3 Risk Assessment discussion

Chris and Jeryl,

Following up on our earlier discussion, the Atlantic Richfield team is available to discuss the OU-3 risk assessment on January 7. How does the 1pm-3pm time slot look? If that works on your end we can block off the time on everyone's calendar.

Thanks,

-jack
